CHIRAG CORPORATION

AGRO EQUIPMENTS DIVISION

For more than two decades Chirag Corporation has been catering to the requirements of small and marginal farmers in India, under the banner of DIVYA SHAKTI, thereby contributing towards increased farm productivity and rapid mechanisation in the agrarian sector. The company is known to be the pioneer in introducing cost-effective power tillers in India in the early 2000s and with a constant focus on improving the quality and service of its product range, the company has grown to become the leading farm machinery companies in its segment.

True to it's Industrial Manufacturing background of supplying tinned food to India's Defence Forces, Chirag Corporation have maintained the same quality standards in it's endeavor to introduce mechanization in India's agrarian sector. With the vision to provide a total solution to its target customers and thereby it has gradually expanded its range to include power weeders, reapers, garden tools and tractor implements. The company has tied-up with various technical institutions to constantly improve product design and performance and is associated with various Pan-India financial institutions to ease credit supply to potential customers of our products, availed through our Dealer Network.

POWER WEEDERS

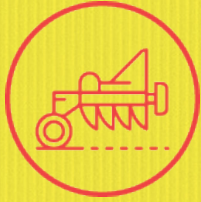

DS-105

Engine Model:	DS-105
Engine Type:	Single Cylinder, Vertical, 4-Stroke, Air Cooled, Diesel
Engine Power:	4.5 HP @ 3600 RPM
Engine Displacement:	296 cc
No. of Gear Speed:	2 Forward & 1 Reverse
Mode of Transmission:	Gear Transmission (PTO Drive)
No. of Blades:	18/24/32 Adjustable
Weight:	121 Kg
Avg. Field Capacity (Acre/Hr)	0.3 - 0.4
Fuel Consumption (Litre/ Hr)	0.7 - 0.9
Avg. Working Depth (inch)	2 - 3
Avg. Working Width (Feet)	Up to 3.75 (Adjustable)

DS-160G

Engine Model:	DS-160G
Engine Type:	Single Cylinder, Vertical, DI, Air Cooled, Petrol Engine
Engine Power:	5.5 HP @ 3600 RPM
Engine Displacement:	212 CC
No. of Gear Speed:	2 Forward & 1 Reverse
Mode of Transmission:	Belt Drive (V-Belt)
No. of Blades:	24 Blades (Adjustable)
Weight:	65 kg
Avg. Field Capacity (Acre/Hr)	0.15 - 0.20
Fuel Consumption (Litre/ Hr)	0.8 - 0.9
Avg. Depth of Cut (inch)	2 - 3
Avg. Width of Cut (feet)	Up to 3.75 (Adjustable)
